

## Project One: 5 Expressions Character

- Materials: Permanent Marker- Fine point, Sketchbook, Colored pencils, scanner, computer, Adobe Illustrator
- Objectives:
  1. Watch *Wallace and Gromit: Curse of the were-rabbit*.
  2. Analyze a character from the movie looking at facial expressions and body language.
  3. Develop and write a back-story.
  4. Develop characters in a sketchbook.
  5. Sketch 5 facial expression of their character.
  6. Scan character in Adobe Illustrator.
  7. Using the brush and pen tool and color to their character.
- Objective: Students will gain knowledge about Character Development. Wallace and Gromit will be shown to emphasize that expression and body language are the most important aspect of cartooning. Craftsmanship and experimentation will be important part of this project. This project will ask students to exaggerate their abilities.
- Rubric
